Cakes

Whether you're looking for a lush layer cake of epic proportions or super-delish cookies and cupcakes, you can get it all at Bake Me a Cake (780-968-8706, bake-me-a-cake.ca). What we love: their menu of unique fillings, including french vanilla custard, chocolate hazelnut, strawberry jam, raspberry jam, coconut cream and chocolate truffle!

Flowers

Gorgeous and blooming flowers can make your wedding day, and the floral design team at Kuhlmann's (1320-167th Ave. N.W., 780-472-9470, kuhlmans.com) can create anything your heart desires. Added bonus: since they have their own greenhouse on-site, many flowers are grown in-house, making them an eco-chic option.

Entertainment

Keep the energetic mood at your reception going with live entertainment. Whether you're looking for a string quartet, magicians, belly dancers, bagpipers or comedians, DJ Hotline (780-460-2607, 1-866-354-6854, djhotline.net) has a list of entertaining possibilities to keep the crowd pumped.

Honeymoon Suite

With a million-dollar view of the North Saskatchewan River valley, the historic Fairmont Hotel Macdonald (10065-100th St., 780-424-5181, fairmont.com/macdonald) is the perfect place to spend your first night as mister and missus. While all of the luxurious hotel's rooms are gorgeous, especially sweet are the sumptuous suites—book the plush King George IV for a romantic night to remember.
